# Elohim Cosmic Blockade

VIEW  
SOURCE

This fan-fiction article, **Elohim Cosmic Blockade**, was written by **Adalwulf of Aedirn**.

Please do not edit this fiction without the writer's permission.

The Elohim Cosmic Blockade was an interdimensional barrier formed and maintained by the Elohim (mostly **The Source** and **Asherah**) during the **Elohim-Cosmic Horror War** to protect the fabric of the multiverse from being too damaged by the interference of the **Cosmic Horrors**. While the barrier still exists millennia later it is far weaker than it used to be and is primarily now used to protect the **World of the Elohim** from discovery and subsequent possible invasion by the **Grigori**, the **Nefandi**, and the **Aen Elle**.
